CERTIFICATE
OF OFFSET

This certificate is granted to

ACV Enviro

for reducing greenhouse gas emissions by
purchasing Carbon Offsets from BEF.

429 METRIC TONS
CO₂e REDUCED
April-June 2018

Dear Valued Customer,

Thank you for continuing to take a crucial step in reducing your environmental impact! With each gallon of Pure Air Diesel, you are creating a greener footprint.

In this envelope, you will find your 'Certificate of Offset.' This certificate is proof of your commitment to reducing greenhouse gas emissions. You will also find a Q2 report showing the breakdown of your delivered gallons and the carbon offsets you purchased through our Pure Air program.

By purchasing Pure Air Diesel and removing damaging greenhouse gases from the atmosphere, you are taking responsibility for the overall impact of your business activities, helping to reduce that impact, while promoting increased air quality and the development of carbon offsetting technologies. Pure Air Diesel is simply good for you and for our Earth.

Diesel Direct is honored to continue to have you as a client and to supply, deliver, and manage your fueling needs in the best way possible, both for you and for the environment.

If you have any questions at all, please do not hesitate to contact your Regional Sales Manager or e-mail PureAirDiesel@dieseldirect.com.

Sincerely,
