

GENERATOR'S AUTHORIZATION LETTER

GENERATOR NAME _____

SITE STREET ADDRESS _____

CITY _____ STATE _____ ZIP _____ TELEPHONE # _____

This letter affirms that a representative of ACV Enviro (including Clean Venture, Cycle Chem, Envirotech, or Allstate Power Vac) is authorized to sign "on behalf of" the generator named above on all waste management documents required for the contracted waste services. This authorization includes, but is not limited to, hazardous waste manifests, bills of lading, material profile sheets and land disposal notifications. The words "On behalf of" are to be added in the appropriate area after the signature of the designated representative signing the document.

It is acknowledged that, when signing any documents under this authorization "on behalf of" the generator named above, ACV Enviro (including Clean Venture, Cycle Chem, Envirotech, or Allstate Power Vac) assumes none of the generator's responsibility or liability associated with such signature, and that the generator retains all responsibility or liability as the generator of the material.

By signing this Generator's Authorization Letter, I hereby certify that I am fully authorized and represent the above named generator.
